The committee met and reviewed a matrix that identified alignment between a variety of local community strategic plans and needs assessments, including:

- Butte County Local Childcare Planning Council
- Butte County Public Health CHIP
- Butte County Public Health 2025 Data Report
- Enloe Community Needs Assessment
- Butte County Behavioral Health Strategic Plan
- Butte County Child Welfare Redesign

Additional meetings are required to establish the mutual shared goals and discuss strategies for how the Commission could assist in system integration.

The committee continued to discuss the issue of declining revenue and the importance of the Commission establishing itself to draw in Medi-Cal and other payors for services that have historically been funded with Prop 10 funds.

The committee identified the Commission's data system and capabilities, as well as the system approach to Help Me Grow and Family Centers, as a strength.
