

**RESOLUTION DECLARING FIRST 5 BUTTE COUNTY CHILDREN & FAMILIES  
COMMISSION'S COMMITMENT TO ORGANIZATIONAL SUSTAINABILITY**

Whereas the First 5 Butte County Children & Families Commission acknowledges that the body's primary source of income from Proposition 10, California Children and Families Act of 1998, continues to decrease;

Whereas the First 5 Butte County Children & Families Commission recognizes that it desires a prosperous, sustainable future for current and future generations of children and families;

Whereas the First 5 Butte County Children & Families Commission wishes to strongly support its own financial sustainability goals, thus taking full advantage of opportunities including, but not limited to, program funding, support, and resources;

Whereas the First 5 Butte County Children & Families Commission pledges to focus on developing long-term financial sustainability goals;

Whereas the First 5 Butte County Children & Families Commission wishes to share its commitment and encourage community partners to pursue financial sustainability in support of programs for pregnant mothers, prenatal development, and children from birth through five years of age; and

Whereas the First 5 Butte County Children & Families Commission pledges to educate itself and expand innovative initiatives in support of this resolution,

Therefore be it resolved that the First 5 Butte County Children & Families Commission agrees to seek financial opportunities that promote long-term sustainability in support of the organization's mission and vision.
